Comments:

Did you ever go to someone's house & put your feet on the furniture & have them ask tell ask you "Didn't your mother teach you any respect?" Well I'm asking you that now, because it seems you have no respect for our home. ~~then~~ Since it seems you forgot this planet is our home, & you are one of the many who are trashing it. For god's sake stop before the human race dies. No more diversions.
